

A woman's face is the central focus, her features partially obscured by thick, vibrant green moss and gnarled tree roots. Her eyes are a striking light blue, looking directly at the viewer. Her lips are a deep, rich red. The background is a dense, lush forest floor covered in moss and foliage. Overlaid on the image is the text "ACTIVATING" in large, bold, white, sans-serif capital letters at the top. Below it, the phrase "the energy of" is written in a flowing, yellow, cursive script. At the bottom, the word "ABUNDANCE" is written in the same large, bold, white, sans-serif capital letters as "ACTIVATING".
